*Title:* Collection of documents

*Language(s):* Italian; Latin; Spanish

*Notes:* Collection of documents pertaining to the Naselli of Sicily. They lived in Sicily as well as in other areas of the Kingdom of Naples thanks to strong relationships with the Spanish crown, from which they received many privileges and land grants over the centuries. They were also connected with several other local aristocratic families (especially the Morso, the Alliata, the Galletti, the Carretto, the Branciforte, and the Aragon), through marriage.
